

APPLICATION TO INTERFERE WITH VEGETATION

Noosa area Local Law No 10 Vegetation Management (2003)

This application applies only to properties within the geographical boundaries of the former Noosa shire.

- This application relates only to vegetation on private land. Exemptions may apply – visit www.sunshinecoast.qld.gov.au
- Both sides of this form must be completed in order to process the application.
- This form must be signed by the property owner (or if signed by a property agent a copy of the authorisation must be attached).
- If the property is strata titled (e.g. units & townhouses), body corporate authority is required.
- If ownership of the property has recently changed please attach property transfer documents (available from your solicitor).

Applicant (please print)

Work proposed on subject vegetation

<p>Nature of proposed works</p> <p><input type="checkbox"/> Complete removal of individual tree/s Number of trees:</p> <p><input type="checkbox"/> Removal of undergrowth</p> <p><input type="checkbox"/> Other (please explain)</p>	<p>Please provide further information</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
<p>Reason for proposed action</p> <p><input type="checkbox"/> Tree endangering property or people</p> <p><input type="checkbox"/> Building or other site works (please attach relevant approvals)</p> <p><input type="checkbox"/> Clearing land for primary production</p> <p><input type="checkbox"/> Other (please explain)</p>	<p>Please provide further information</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
<p>Method of disposal of vegetation (circle):</p>	<p>LANDFILL MILLED MULCHED USED ON-SITE OTHER: _____</p>
<p>Is the vegetation "riparian"? i.e. (a) vegetation along foreshores; and (b) vegetation within: (i) a permanent freshwater watercourse or existing within 50 metres from the top of the bank of a permanent freshwater watercourse; or (ii) a permanent tidal watercourse or existing within 250 metres from the top of the bank of a permanent tidal watercourse; or (iii) Lake Macdonald or within 400 metres of the full level of ponded water within Lake Macdonald. (iv) vegetation which is found in the riparian zone.</p>	<p>Y N</p>
<p>Has a permit been issued on the site in the last 3 years?</p>	<p>Y N</p>

Site plan

Please provide a sketch (or attach a plan of property) identifying:

- Property boundaries, road frontage, existing or proposed buildings, driveways/access tracks, waterways
- Location of the affected vegetation, vegetation species (if known) & distances between structures and vegetation

Where possible, please mark affected vegetation on site with spray paint, flagging tape or ribbon

To assist the application process and avoid delays, please provide as much detail as possible in your application.
